

Green Space Matters

Let's keep it Ours!

Vote

Winnipeg Municipal Election - October 24, 2018

- Master Plan for Green Space
- Trees
- Natural areas
- Parks
- Healthy river corridors

Cities across Canada are working toward ensuring that all of their citizens have access to parks within a short walking distance of home. Winnipeg can do the same. An election is coming; let candidates know the vital importance of green space for the wellbeing of city residents.

* Green spaces are important enough to be an election issue in Winnipeg www.cbc.ca/news/canada/manitoba/opinion-winnipeg-green-spaces-1.4719140
