

Sounding the Alarm for Greenspace

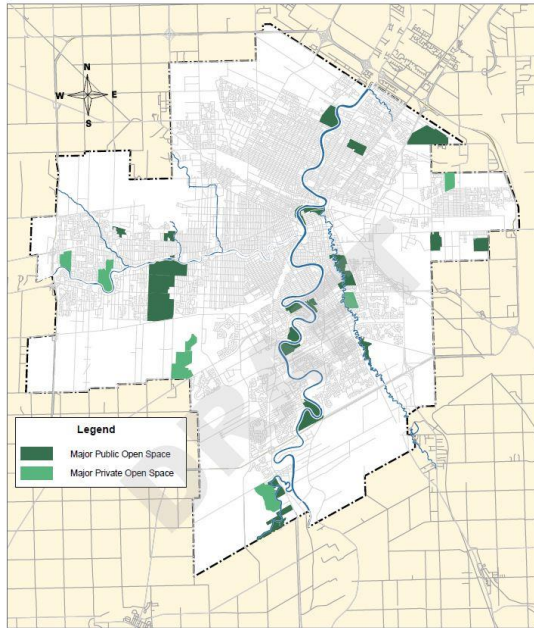

OURS-Winnipeg - ourswinnipeg@live.ca

Two City of Winnipeg initiatives will decrease publicly owned greenspace by enabling ad hoc development on nature parks, regional parks and golf course lands (shown on map)

1. OurWinnipeg 2045 and Complete Communities 2.0 (City's 25-year planning documents)
2. City proposes to repurpose up to 30% of public golf courses to other use, including housing

Public Hearing date: May 13 2021

MAP OF MAJOR OPEN SPACES

Winnipeg is below average in greenspace at 6% compared to average of 9% compared to 27 Canadian cities - Park People Report 2020

Petition • Letter to Mayor and Councillors
